Collection No. 194 — Crookwell, Cowra, etc. N.S.W.

K. H. L. Key
1-2. x. 1978

1/10.

8141.8. E. blakelyi, E. melliodora to 60ft on gentle slope with pale brown sandy loam. Kyaeris scurra
Dense Themeda australis with scattered dense
Helichrysum semipapposum, occ. Grevillea
? alpina & forbs. K. scurra.

8147.2 Bellmount Forest (from Gundaroo).

8161.9 Gunning. Both cemeteries no good.

166.3. Turned left (some distance wasted).

209.6. Turned left (road to Binda).

229.2. Churchyard. Cleared from E. dwies to Steep slope
25ft. Themeda australis, Aristida sp., & Kyaeris scurra, Perala viridis
Helichrysum apiculatum. K. scurra.

229.6 Binda.

238.5 Turned left.

267.9. Bigga. Return.

268.4. Gentle slope with brown gravelly Kyaeris scurra, Perala viridis
soil. E. blakelyi, E. melliodora, & E. bridgesiana
Dense Themeda australis with patches of
Helichrysum apiculatum. Edge of town.
K. scurra.

8280.5 Steep slope with pale brown soil. E. bridgesiana + occ. E. blakelyi to 60ft. (Kunzea ambigua, Persoonia viridis) Cassinia sp. + Olearia sp, occ. Acacia dealbata to 8ft. Tetratheca + grasses.

297.4 Turned left.

326.7 Tuena.

356.8. Trunkey.

372.4 Habbey's Yards.

380.5 - Barry.

403.3. Carcoar.

2/10. Cowra cemetery no good.

475.4. Cowra depart.

498.7. Dalrip Falls (cemetery no good).

513.2. Wyangala Dam (5. end) [Only a very few, extremely small, patches of Themeda between Cowra + here. Reids Flat road no longer in existence]. Return.

521.7 Turned left on Frogmore road.

530.4. Howell's Creek.

543.6 Turned left for Reid's Flat. (Graham

+ Deep Creek settlements not recognisable.

558.8. Junction with Reids Flat - Taylors Flat road. Turned left.

559.0. Good road off to left signposted "Wyangala Dam 16".

560.0. Reids Flat.

562.5. Reids Flat depart (apparently no cemetery).

583.3. Turn-off to Boorowa on right. (Is this Taylors Flat ?⅔ - 4ps)

~~587 +. Taylors Flat ?~~

590.3. Gentle slope, occ. granite boulders, brown soil. E. blakelyi + E. melliodora to 60ft, patches of Themeda + one very small patch of Helichrysum apiculatum, other forbs. Aristida sp. + forbs elsewhere. K. scurra (mainly) on Helichrysum

597.3. T-junction. Turned right.

600.0 Rugley cemetary. Apparently suitable but no scurra.

601.6. Rugby. Return.
603.1. Turned right.
612.0. Took right fork.
620.0. Road to Frogmore off on right.
621.4. Lagoon Ck. road off to left.
622.4. Rye Park (cemetery no good).
625.6. Turned right.
[Wyangala Dam to Taylor's Flat has ~~pra~~ only very few, small patches of Themeda, almost always without Helichrysum. ~~Taylors~~ Probably there was never more than a very little, & there may never have been scarra. From Taylors Flat to Rye Park there were more patches, but usually without Helichrysum.]
644.8. Wargeila (H.S.)
653.8. Laverstock road off to right.
Turned to Yass.
663.7. Yass.
[N.B. I consider that further investigation

of today's route would be unprofitable. Sites that yielded scores on previous surveys, especially from Rugby south, seem to have been destroyed.]
